**Georgians for the Arts presents
“Celebrating Georgia’s Creative Talents,”
art competition in support of Georgia’s Arts Advocacy Week**

On January 13, 2021, Georgians for the Arts will open up state-wide registration for the art competition “Celebrating Georgia’s Creative Talents.” All Georgia-based artists may submit in the area of visual arts, literary, video, and music.

Select artists will have artwork featured in Georgia’s Arts Advocacy Week online magazine, a magazine designed to promote Georgia’s arts and culture.

The publication distributed to Georgia’s legislative body will showcase Georgia’s creative talents from every corner of the state, highlighting the impact art has on the state and its communities.

Arts Advocacy Week, scheduled from Monday, February 8 to Friday, February 12, 2021, is dedicated to arts advocates from throughout Georgia to meet with their elected Georgia legislative representatives to generate support for pro-arts issues. Arts Advocacy week is subject to change contingent upon the Georgia Legislature’s schedule.

Competition terms and conditions apply, and submission closing and public voting end January 31, 2021.

For more information, visit www.georgiansforthearts.org.

Advocating for the advancement and support of arts and culture for Georgia.

About Georgians for the Arts

Georgians for the Arts, a 501c4 established in 2019, has a mission to provide vision, leadership, and resources that ensure the growth, prosperity, and sustainability of arts and culture in Georgia. It will assume the advocacy activities started and supported by ArtsGeorgia since 2013. Georgians for the Arts will advance its mission through year-round arts and culture advocacy activities, year-round programs for artists, and the networking of artists, arts educators, local arts organizations, and business leaders all working towards a better Georgia. www.georgiansforthearts.org
